

Job Title: Math Peer Tutor

Classification/Status: Part-Time

Reports to: Director of the Academic Success Center

Job Summary

Looking for peer math tutors in the classroom. The peer would need to be available 5 days a week, 4 days in the classroom with the instructor and the fifth day would be in the ASC. Pay is \$10 an hour.

Job Requirements

- Peer tutor must be a student in good academic standing.
- The peer tutor must be one class above the class they are tutoring, so if they are tutoring MAT 091 they must be in MAT 095, if MAT 095 must be in a college level math course.
