LINCOLN YMCA Is Moving and Growing –

Exciting things are happening within the YMCA of Springfield Association. In 2020, the YMCA of Springfield and the Lincoln Area YMCA entered into a management agreement. The agreement offered leadership and operational support to the Lincoln Area Y. The goal of the agreement was to strengthen the communities of both Ys, while enhancing the Y's services and programs now and into the future. This agreement has also been a catalyst for the leadership of the two Y's to grow their relationship with one another.

Earlier this year, the Lincoln Area YMCA merged with the YMCA of Springfield. The leadership from the two organizations have been working together to create a seamless transition that will allow for YMCA programs and services to continue in the city of Lincoln and its neighboring communities. This union creates a new synergy that will enable both Ys to benefit from shared resources and enhance our ability to respond to the community's most pressing needs.

Last week we officially moved staff from the storefront on Main Street to the YAC (Youth Activity Center). In addition, we are excited to announce that we have made some updates to the building and have added fitness equipment and weights with the intention of offering YMCA memberships to the Lincoln community. This will serve as an interim facility until a new YMCA facility can be built in the Lincoln community.

Please help us welcome the Lincoln YMCA staff and members to the YMCA of Springfield family.

Consider volunteering today. Volunteer and Internships are not accepted online at this time. Those placements will still be done on paper. Volunteer app is available for download at <https://www.springfieldymca.org/volunteer/>.
