

## Reminisce and Relive the Memories at Lincoln College Reunion 2012 • April 27–28

All alumni are invited back to the Lincoln Campus to celebrate Alumni Reunion 2012. Members of class years ending in 2 and 7 will be recognized during the Alumni Dinner and Awards Program on Saturday, April 28. Members of the class of 1987 (25 years), the class of 1962 (50 years), the class of 1942 (70 years) and the class of 1937 (75 years) in attendance will be presented with the Lincoln College Swarovski crystal alumni pin.

If you haven't been back to campus for a while, we hope you'll be able to return for reunion. You'll get a first-hand look at the exciting growth of your alma mater—and what better time than Reunion Weekend to return to campus, re-visit the past, and make new memories with treasured friends!

Join us on Friday for the annual Wine & Cheese Reception where wine tasting will be provided by Hill Prairie Winery of Oakford, Ill., and new this year, beer tasting from Rolling Meadows Brewery of Springfield, who feature Abe's Ale, Lincoln's Lager and Springfield Wheat. Then on Saturday, explore the President's residence and meet LC President Jon Astroth. Alumni are also invited to work out in the state-of-the-art Scott Joslin Fitness Center in the Lincoln Center. New this year, we're having a Meet & Greet with current and former faculty along with the Saturday morning brunch. We're certain the Ultimate Scavenger Hunt will provide some fun times reminiscing and touring campus! Interested in Environmental Education? Join LC Science professor Dr. Dennis Campbell for an insightful overview of the Environmental Education Center being developed along Sugar Creek north of Lincoln. And of course you'll want to be a part of the annual Reunion Dinner & Awards Program where we celebrate all alumni in attendance, as well as present this year's Alumni Achievement Awards.

A special event this year will be the return of **Coach Norm Kaye and the 1962 basketball team**, the first LC team to make it to a National tournament. The team will celebrate their 50th anniversary and play some exciting games of "LYNX" (aka HORSE) in the Lynx Lair. *\*See pages 18-21 to learn more about what Coach Kaye and the 1962 basketball players have been up to since their LC days.*

Since 1962, close to 150 Alumni Achievement Awards have been presented to alumni from all walks of life who have left their mark on the lives of others and their communities. The LC Alumni Office is honored to present the **2012 Alumni Achievement Award in Business** to **Mike Lumpp, class of 1962** and

member of the '62 basketball team. Mike is a lifelong resident of Lincoln and began his own vending company, M&M Vending, while still in college. The company was based in Lincoln and through hard work and long hours it grew and prospered. Mike expanded M&M Vending by purchasing another vending business in Bloomington, Ill. He retired in 2000 after 37 years and sold both businesses. Mike has always had a love for Lincoln College. He served several years on the Alumni Board and has always been an avid fan of the LYNX basketball program and enjoys attending home games. Not

## A Message From the President

Greetings from Lincoln College! I hope your 2012 is off to a great start. Your ongoing connection to your alma mater is vital to the College's continued success, and I invite you to consider your association with the College and support it in any way you can.

Before recognizing the generosity of the many people who support Lincoln College, let me share with you some important initiatives underway on our two campuses.

### **Lincoln College Lincoln**

Significant progress is being made on moving the Abraham Lincoln Heritage Museum from its current quarters in McKinstry Library to the Lincoln Center. That move is scheduled to be completed in the spring of 2013. We are now determining the final look of the museum and its exhibits, while seeking enrichment funds for the project. A Friends of the Museum Committee has been formed to help with fundraising, while College staff pursue grant opportunities. The new museum will serve as an extraordinary resource not only for Lincoln College students and employees, but also for Lincoln fans and scholars across the globe.

Under the leadership of Dr. Dennis Campbell Lincoln College continues to develop the Environmental Education Center along Sugar Creek, approximately five miles north of campus. This project, which will strengthen the science program, is scheduled for completion in 2012.

The College just signed an agreement with St. Francis Medical Center College of Nursing in Peoria, Illinois, that

facilitates the transfer of Lincoln College associate's degree in science graduates to the bachelor's degree in the nursing program at St. Francis.

Last fall, the College began a dual-credit enrollment program with Lincoln Community High School to enable qualifying high school students to enroll in Lincoln College classes taught at the high school. Over 50 students enrolled last fall. The program represents an outstanding opportunity for high school students to get a head start on their college careers, and the College is now in discussions with Illini Central High School about implementing this program there next fall.

### **Lincoln College Normal**

You may be aware that the Normal campus offers several bachelor's degrees. Recently, the bachelor's degree in business administration received accreditation from the International Assembly for Collegiate Business Education. Congratulations to the faculty and staff of that campus for achieving this milestone.

### **Support of Lincoln College**

I continue to be impressed with the financial support provided to the College by both its alumni and friends. As difficult economic times continue in both higher education and the economy generally, such support is even more critical. It funds student scholarships, contributes to building projects, and undergirds important initiatives undertaken by the College. Without it, the College could simply not sustain the level of service and excellence it now provides. Let me offer my sincere thanks to donor alumni and friends of the institution. Your contributions are indispensable to the life of Lincoln College.

Thank you!

## Honor Roll of Donors 2010-2011

# Thank You!

On behalf of the Lincoln College administration, faculty, staff and students, we would like to thank you for your generosity and continued support as we strive to build our youth for the future.

We make every effort to ensure that the donors who support Lincoln College are appropriately recognized for their generosity, foresight, and commitment. This Honor Roll of Donors includes contributions received between July 1, 2010 and June 30, 2011. If you have not received the proper recognition for your gift in this listing, please accept our sincere apologies and notify our Advancement Office as soon as possible so that we can correct our records.

# Lifetime Giving Honor Roll

Lincoln College deeply appreciates these distinguished individuals and organizations who have given generously by choosing to invest in our students and the mission of this institution. The Lifetime Giving Honor Roll recognizes donors who have made cumulative lifetime contributions of \$5,000 or more, including corporate matching gifts. Categories are based on **gifts received through June 30, 2011.**

## Consistent Givers

In this year's Honor Roll, we recognize our alumni, friends, parents and businesses that have faithfully supported Lincoln College with their gifts for ten years or more. Every single gift has an impact, but it's the many gifts—large and small—given consistently over the decades, which sustain Lincoln College. Thank you!

## Harts Society

David H. Harts

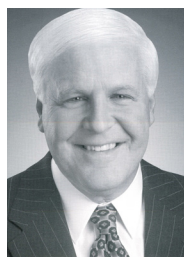

Former Trustee David H. Harts (1878-1962) was a great benefactor of Lincoln College whose generosity and dedication preserved the College through difficult financial times. The Harts Society has been established to honor the memory and legacy of David H. Harts, and to recognize others who have provided for the College through their estate plans—through their wills, trusts, gift annuities or life insurance. Lincoln College is deeply grateful for the thoughtful generosity of the many members of the Harts Society. Harts Society members will be appropriately recognized next year in the 2013 Honor Roll of Donors. In the meantime, if you have remembered Lincoln College in your estate plans please contact the Advancement Office to record your intent, and let us know if you wish to be included in this special recognition society.

## Love of History Inspires Bequest

Denny Frary '70

Who, or what, will be featured in my will as a beneficiary of my life's earnings in the wake of my death?

For Denny Frary, the answer to both queries was Lincoln College.

After selecting Lincoln College as his college choice as a high school senior in 1968, 43 years later, Frary chose LC again, this time as the recipient of a generous bequest in his will.

Frary's contribution has been designated to the Lincoln Heritage Museum. It's a fitting destination, considering his love of history is what drew him to Lincoln College in the first place.

"My brother was three years older and I can remember he would get mail from different colleges. I actually found out about Lincoln College from one of my brother's brochures," said Frary, a native of Prophetstown, Ill. "I was attracted to the history (of the school). It talked about the Hall of Presidents and obviously the connection with Abe Lincoln. I

started reading it. I learned that it was a place where I could get some individual attention. It was just a good place for me to start."

Choosing LC was a decision that Frary never regretted.

"It met all of my expectations. It was clear right away that I could talk to my instructors," said Frary. "It was a very cozy atmosphere."

As a student, Frary studied broadcasting and communication. He was also member of the men's golf team and enjoyed spending time with roommate Tom Gilbertson, whom he has kept in contact with since graduating from Lincoln College in 1970. Frary completed his bachelor's

*"What we do for ourselves dies with us. What we do for others remains, and is immortal." --Albert Pine*

degree from the University of Illinois at Urbana-Champaign. Museum, he may spark another young person's interest in history.

After college, Frary enjoyed a successful career, spending over 30 years as the chief meteorologist of KCRG-TV9 in Cedar Rapids, Iowa.

Because Lincoln College is smaller and more intimate when compared to other larger state schools, when asked what factors led to his decision to include Lincoln College in his will, Frary

said he felt his donation could make a more significant impact at Lincoln College than anywhere else.

"There comes a point in everyone's life where you have to start thinking about the future and what happens with what you have after you're gone," said Frary. "I knew I had family members that I wanted to do things for ... but I really saw (a bequest to Lincoln College) as an opportunity that might allow other young people to have the same experience that I had, that impacted my life for 40 years. It just seemed like a good and proper place to leave it."

Frary is especially hopeful that by donating to the Lincoln Heritage

Asked what he would tell others who might be considering making a similar designation in his or her will, Frary said, "I would say just think about what you want things to be like after you're gone, or, what would you like the future to be when you're not here? I'd like to ensure, at least in a little way, that I helped Lincoln College and allowed other students to get a jumpstart to their life the way I did."

Denny has joined fellow alumni who have acknowledged the importance of their LC experience by providing for the college in their estate planning. Through the generosity and forethought of these alumni and friends, students lives are transformed, programs and facilities are preserved and improved, opportunities for faculty are created, and LC's future is secured. Please share with us your bequest intentions so that we can better prepare and ensure that your wishes are fulfilled. By notifying us of your plans, you can allow us the privilege of acknowledging and recognizing your support. Your example may even inspire others to consider Lincoln College in their estate plans.

## Around Campus...

### Fine Arts Update

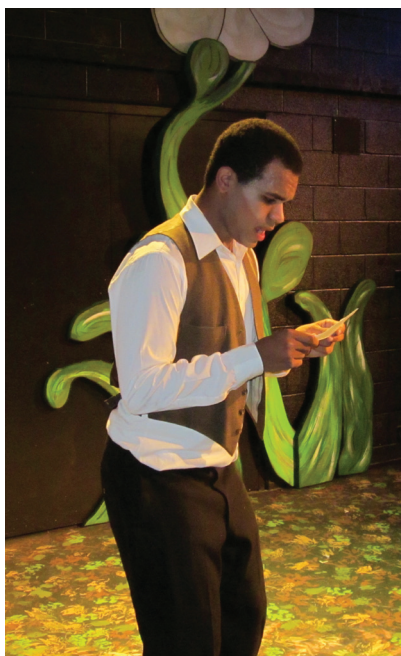

The **LC Theatre** program kicked off the season with "THEATREPALOOZA!", a student and faculty collaboration that began on a Friday night and concluded just 24 hours later in the Johnston Center Meyer Theater with seven original short plays, all written, directed, rehearsed, costumed, and staged by LC Fine Arts students and faculty. These new works were presented in a caffeine-fueled theatre event that showcased the immediacy, flexibility, and potential in theatre. "THEATREPALOOZA!" was such a success, that the Theatre department plans to make it the first show of the season each year.

The second fall production was "Dark of the Moon", written by William Berney and Howard Richardson and directed by Steve Schreiber. This classic play about the unlikely love between an Appalachian Witch Boy and Barbara Allan was presented in the Hostick Theatre and involved over 40 students both on stage and backstage. Live music for the production was provided by LC faculty member Will Toedtman. This show proved to be a real crowd pleaser; four of the five performances were sold out.

The spring musical, "A Year with Frog and Toad" (based on the children's books by Arnold Lobel and directed by Kenneth Z. Kendall) was also staged in the Hostick Theater. This delightful show featured an extremely talented cast of six actors playing over 13 roles (including birds, moles, mice, turtles, snails, and lizards). Adjunct instructor Audra Turley choreographed the piece, Cynthia Fox vocally directed the piece, and Scott Woger directed the student pit orchestra and played trumpet as well. Martin Holden designed the sets, student Levert Wilkins designed the lights, and student Courtney Jones designed the costumes. Though a smaller show, "Frog

and Toad" is by no means simple: the 17 songs featured very tight three- and four-part harmony, complicated and whimsical choreography, and a variety of musical styles. It was a wonderful showcase for the very talented students who populate the Fine Arts department.

The last show of the season will be "Almost, Maine", written by John Cariani and directed by Martin Holden, and will be performed in the Johnston Center Meyer Theater on April 11-15, 2012. This show is billed as a new romantic comedy, and might remind audiences of "Our Town". Set in the fictitious town of Almost, Maine, the play deals with the glorious, sad, and sometimes bittersweet "almosts" that populate many romances.

Sophomore Cameron Williams in the Spring 2012 Musical "A Year with Frog and Toad"

**LC Dance** presented their fall concert in November. The show was a tribute concert featuring works honoring such legends as Michael Jackson, Bob Fosse, the Beatles, and Merce Cunningham. This is Audra's first year working with LC students, and her work is second to none. Please plan to attend the spring Dance Concert on April 27 and 28, 2012.

**LC Music** has been doing exceptional work this year, conducted by Scott Woger and new vocal music director Cynthia Fox. December's Holiday Vocal and Band Concert featured a mix of jazz standards, new instrumental compositions by current and former LC students, traditional holiday tunes, and updated holiday classics. Our students handled these often challenging pieces with grace and passion; our hats tip to the fine work done by Mr. Woger and Ms. Fox.

Your support of and attendance at the LC Fine Arts events are extremely vital, and we appreciate your presence each and every time that you join us. If there is something that you would like to see produced by LC Fine Arts, please drop us a line at [kkendall@lincolncollege.edu](mailto:kkendall@lincolncollege.edu).

### Joyce Kinzie/Martin Luther King, Jr. Scholarship Breakfast

Members of the Lincoln community once again showed their commitment to education at this year's Joyce Kinzie/Martin Luther King Jr. Scholarship breakfast on Monday morning, January 16, at the Maple Club located just outside of Lincoln.

The MLK, Jr. Scholarship was established in 2009 and is awarded to a minority student from Logan County attending LC.

In addition to the annual traditions of good food, uplifting music and inspiring speakers, this year guests were treated to a special announcement from Lincoln College VP for Advancement Debbie Ackerman '83.

Ackerman revealed that a \$10,000 check had been received for the MLK, Jr. scholarship fund at Lincoln College. The gift is a challenge grant made possible through the generosity of Robert J. Woods and Joan Jarrett Woods through the creation of the Woods Foundation.

The Woods Foundation grant was a significant step towards taking the Martin Luther King Jr. Scholarship to "endowed" status. At Lincoln College, an endowed scholarship fund at the \$20,000 level will provide approximately \$500/semester to be awarded in perpetuity. Prior to the Woods Foundation's gift, the fund for the Martin Luther King Jr. annual scholarship stood at just over \$4,000.

Those in attendance also enjoyed remarks from Rev. Phillip Blackburn of Lincoln's First Presbyterian Church and Rev. Glenn Shelton of Lincoln's Second Baptist Church. The 2011-12 recipient of the Martin Luther King Jr. Scholarship, TeDarion Carter, also spoke and thanked all of the scholarship's contributors.

"The scholarship has helped me get through college without financial stress," said Carter. "It has touched more than just me. It has also touched my family and friends and the people who I work with in the future."

The Second Baptist Church Youth Choir and the Lincoln College Choir also performed.

**The Distinguished Alumni Achievement Award** is the most prestigious of Lincoln College's awards and was first awarded in 2007 to Hollywood film producer Bruce Block, class of 1968. This award is reserved for graduates who have obtained the highest level of professional accomplishment with notable achievements in a prominent field and who are viewed as influential in that field. The LC Alumni Office is honored to be able to present the second

**Distinguished Alumni Achievement Award to Dr. William**

Dr. William Rhoten '62

**Rhoten, class of 1962.** Dr. Rhoten received the Alumni Achievement Award in 1972 for his achievements in the field of science. Fifty years after his graduation from Lincoln College, Dr. Rhoten has set an amazing example of the success one can achieve when he puts his mind to it. Dr. Rhoten has a B.S. in Zoology from Colorado State University, an M.S. in Zoology from the University of Illinois, a Ph.D. in Anatomy from Pennsylvania State University (M.S. Hershey Medical Center), and did Postdoctoral work in Experimental Pathology at Washington

University School of Medicine. He has not only learned a great deal from his higher education but he has had many life-changing experiences abroad and in the U.S. He was awarded two Fulbright Senior Scholarships, one to Uganda in 1990 and a second to Zimbabwe in 1996. His service to humankind on a global scale began in 1985 at the University of Cape Town (UCT), South Africa, where he set up a Cell Biology Unit. While in the Faculty of Medicine at UCT he developed and implemented an honors program and had the opportunity to interact and work closely with perhaps the first African students in an honor program in the Department of Anatomy. Dr. Rhoten takes pride in knowing that all those students were successful in receiving their B.Sc. Med. Honours degrees. In 1992, Dr. Rhoten went to Kuwait to provide input into the rebuilding of the Faculty of Medicine after the Iraqi invasion and subsequent liberation by the Coalition Forces. His research investigations included morphological, physiological, biochemical, and molecular biological approaches. These studies focused on various aspects of pancreatic endocrine cell structure and function, comparative endocrinology, and at times the nervous system. This research was funded by NASA, NIH, and other foundations. Currently Dr. Rhoten serves as a half-time Professor of Anatomy in the Department of Biomedical Sciences at Mercer University School of Medicine in Savannah, Georgia. He has earned numerous awards and honors as well as written a number of articles and other publications. Dr. Rhoten has been married to Donna for 43 years, and they have three grown children. Dr. Rhoten shared this reflection, "My experiences abroad led me to develop my creed of 'may we learn how to love one another'."

## Where Are They Now? The 1962 Basketball Team

The 1962 LYNX basketball team, coached by the legendary Norm Kaye, finished 11th in the nation with a 30-7 record, and in 2004 that 1961-62 team was inducted into the Illinois Basketball Coaches Association Hall of Fame. In honor of the 50th anniversary of that team's glory days, we caught up with many of the former players and coach to see where life has taken them. The 1962 basketball team consisted of: Ken Schuttler '63, Dick Anderson '63,

Wayne Turner '62, Otis Neace '63, Dave Lessen '63, Bob Miller '62, Manger Bob Morse '63, Chuck Williams '63, Allen Hoffert '62, Duane Schleder '63, Tom Flynn '62, Tom Zurkammer '63, Mike Lump '62, and Manager John Iltis '62. At the time this newsletter went to press, we had not been successful in getting an update from Dick and Otis. And sadly, Duane Schleder (*d. 2/5/12*), Tom Flynn (*d. 11/2/04*) and Bob Miller (*d. 4/21/01*) are deceased but are very much remembered by their teammates. We are looking forward to Alumni Reunion, April 27-28, when most of these gentlemen will return to celebrate their 50th anniversary. Coach Kaye is very excited to come back to Lincoln to see these players as well as many others he coached and grew to know during his time at Lincoln College.

**Norm Kaye** came to Lincoln College in 1957 to coach basketball. He served as coach and athletic director until spring 1964 when he left to be the AD and coach at Lincoln High School. Coach Kaye's departure marked the end of a great transition period at Lincoln. Much was accomplished during Coach Kaye's tenure, including development of the physical plant, building the varsity room and shower

## Where Are They Now? The 1962 Basketball Team

facilities, and putting the varsity program on a competitive basis with other colleges in the region.

In 1965 Norm went to Chicago and joined Mayor Daley's Poverty Program. This program placed special people in troubled schools in an effort to get the school back into an orderly academic institution. By 1966, Coach Kaye was asked to come be the Director of Bay Campus Students at the University of South Florida in Tampa (USFT). Also in 1966 and 1967 Norm had the honor of directing two Peace Corp Programs for Venezuela at USFT. In keeping with the busy and athletic lifestyle Coach Kaye was used to, he transitioned from USFT to Saint Leo College (now University) in St. Leo, Fla., for the remainder of his higher education career from 1966-1992. There he served as the first four-year Athletic Director, the first director of student affairs, financial aid director, chairman of physical education (the 2<sup>nd</sup> certified state program in Florida), chairman of the building committee where the Activities Center was dedicated in 1970, baseball coach, basketball coach, founder of the Sunshine State Conference in 1974 and its first conference commissioner and executive director, director of institutional advancement and academic advisor.

Coach Kaye has also had the honor of being a husband, father and devoted grandfather. He currently resides in Bonita Springs, Fla., where he enjoys spending lots of time with his grandkids and soaking up the Florida sunshine! Coach Kaye is very excited to return to the Lincoln Campus to celebrate the 50<sup>th</sup> anniversary of the record breaking 1962 Lynx basketball team and their trip to Nationals.

**Allen Hoffert**, class of 1962, resides in Lincoln, Ill. He retired in 2000 from the Logan County Highway Department. Allen's wife, Odette Turner Hoffert, passed away in November 1997. Allen has one daughter, Lisa Sal, who resides in Naperville, Ill., with her husband Jon. He also has two sons, Greg and his wife Chrissie, both LC alumni from the class of 1990, and Robbie and his wife Vicki.

Both families reside in Lincoln, Ill. Allen has been blessed with three grandchildren who he enjoys watching participate in sports and school activities. Allen is a long-time fan of the Chicago Cubs and the Chicago Bears.

It was during high school when **John F. Iltis**, class of 1962, discovered film and, while serving in the U.S. Army, it became his preferred leisure pursuit. While at Lincoln College, John served as the manager of the 1962 basketball team and was actively involved in the fine arts department. This all served as excellent preparation for being hired by Balaban & Katz Theatres (now Loews AMC Theatres). Iltis began his career in advertising and public relations in 1965 and, three years later, became Universal Pictures' Midwest Field Representative in Chicago, subsequently operating out of Universal's home office in New York City. He had found his forté.

John spent some time in London, England, during the early seventies representing Rowan & Martin for their Royal Variety

performance before Queen Elizabeth II. He also represented The Supremes, Dave Brubeck, and Zsa Zsa Gabor, among others, and was associate producer for the horror film "Mind the Doors".

In the late seventies John returned to Chicago and pursued his advertising and public relations career in the motion picture and entertainment fields. He was appointed VP and General Manager of Jack Wodell Associates Chicago office. In 1977 he purchased the Chicago office from Jack Wodell and renamed it John Iltis Associates (JIA). Under his leadership, JIA represented Walt Disney Productions, Universal Pictures, Columbia Pictures, MGM/UA, Samuel Goldwyn, New World Pictures, Orion, the Chicago Film Festival, Steppenwolf Theatre, Travel Light Productions, the Ivanhoe Theatre, Poplar Creek Music Theatre, WLUP-FM Radio, and WCKG-FM Radio.

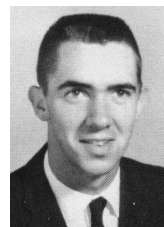

In 1988, Wodell and Iltis took over a movie and entertainment oriented agency in Denver, renaming it Wodell, Iltis, Sherman Associates. In 1993, John Iltis and David Sikich formed Iltis Sikich Associates and became producers' representatives.

John has been involved in various philanthropic organizations, including being Chair of the Gene Siskel Film Center and Chair of the Advisory Committee of the Theatre School, De Paul University. He has held positions on various Boards of Directors, including being a thirty-year member of Lawyers for the Creative Arts, and a life member of the Publicity Club of Chicago and the Variety Club of Illinois. He is an advisor to the Independent Film Project and the Independent Writers of Chicago, and was a former advisor to Women in Film. John is also a member of the Academy of Motion Picture Arts and Sciences, the Publicists Guild, and a former member of the Chicago Television Academy and the Broadcast Advertising Club.

John closed his advertising and public relations agency in June 2006, and became a film marketing consultant for Chicago and the Midwest with his prime interest in counseling independent filmmakers on promoting, advertising, and marketing their products, and being a sounding board relative to their creative pursuits.

Today, John divides his time between Chicago and coastal Maine, along with his wife, photographer Gill Iltis. Daughter Claire, a graphic designer, lives in Philadelphia, Pa., and daughter Annika, a second assistant camera, lives in Los Angeles, Calif.

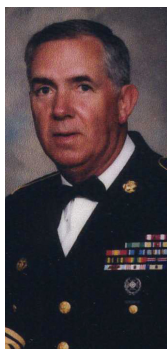

**David Harlan Lessen**, class of 1963, served 38 years in the Army/IL National Guard from February 1964 through March 2002. In 1964 David went through Basic Training at Fort Leonard Wood and over the years was stationed at many other Forts and Camps in the United States, Germany, Poland and Honduras. In 1985 he graduated from the United States Army

First Sergeant Course and was promoted to First Sergeant (ISG) of 3637 Maint. Company (240 Soldiers). In 1991 David was promoted to Command Sergeant Major (E9) and oversaw the 232<sup>nd</sup> Service and Supply Battalion's 630 Soldier Unit. Also in 1991 he was accepted into the United States Army Sergeant's Major Academy, and in 1994 he graduated Command Sergeants' Major Academy for Fort Bliss, Texas. David was assigned as Commandant of Illinois Military Academy in 1996 and from 1998-2002 he was assigned to the Illinois Inspector General's Office. During his 38 year military career, David

received many awards and is very proud to have served in the United States Army. David and his wife Barbara have been married for 48 years. They have a son Rob and daughter-in-law Tonya, one grandson, Cody, who loves to golf with grandpa, a step granddaughter, Larisa, and a step great granddaughter Abre. David and Barbara currently reside in Greenview, Ill.

**Robert "Bob" Morse**, class of 1963, currently resides in St. Louis County with his wife Susie. They have four children, with two living in St. Louis and two in the Kansas City area. They are blessed with three grandchildren who live in the St. Louis area.

Bob is semi-retired though keeps busy. He works in real estate and oversees a Penske Truck Rental agency located at the real estate location. Additionally he owns a self-service car wash which he purchased 13 years ago.

During Bob's college years he worked summer jobs at a plastics manufacturing plant in St. Louis. The company injection-molded all types of appliance-related items such as washing machine agitators, plastic lint screens, etc. He found the business to be very interesting and learned all he could. After LC, Bob went on to finish his degree at the University of Missouri. He worked for a small plastics custom molding company for about two years before he was contacted by the company he worked for during his college years. He rejoined them as the Quality Control Manager. Over the next few years he learned other aspects of the company and soon was made the Plant Manager for the company. At that early stage of the plastics industry, no formal training was available so you had to be willing to work hard all hours of the day and night for opportunities like that promotion. Bob remained in the plastics industry most of his formal working career. This included exposure to the automotive, health and beauty, and pharmaceutical industries. His career took him to various locals including a 10 year stay in Connecticut where he worked for a large international company running a large molding department and purchasing tooling, some of which was produced in Europe allowing him to visit that part of the world as the tooling had to be approved before shipping back to the states. He met a lot of interesting people, ate a lot of great food and enjoyed the experience. His time on the East Coast exposed him to great salt water fishing

and fine seafood. He owned a boat and whenever the flounder were running, he fished as much as he could.

While living in Connecticut, Bob and his wife invested in a soup and sandwich business. Susie ran it, and Bob helped after work and on the weekends. It too was a great experience. Susie made homemade soups and sandwiches to order. Bob planted a large garden so she was able to pick fresh vegetables for her soups and salads. When Bob transferred back to the Midwest, they had to sell the business.

For a while Bob ran a plastics plant in the south that manufactured pill bottles for drug stores. That exposed him to the Food and Drug Administration and other government agencies, and was also a wonderful experience. They loved living in the south. The people were friendly and the barbeque was great!

Eventually Bob and Susie returned to St. Louis after 30 plus years living elsewhere. Bob now spreads his time between his part time work activities, his family and a Lake of the Ozarks summer place where they enjoy spending many weekends swimming, fishing and barbequing.

Bob shared this comment with fellow teammate and former administrator Tom Zurkammer '63, "My thoughts often drift back to those days at Lincoln College. Being associated with you and the other team members, as well as falling under the wing of Norm Kaye, has had a lasting influence on my life."

**Ken Schuttler**, class of 1963, grew up in Manito, Ill. and came to Lincoln College in 1962. While at Lincoln College he also played baseball under Coach Chuck Lindstrom. In 2005 Ken was presented with an Alumni Achievement Award at the Lincoln College Alumni Reunion.

After earning a degree at Lincoln College, Ken continued his education at Southern Illinois University where he earned a Master of Science degree in Marketing and Economics. He started his career in 1968 as a Senior Market Research Analyst at Mobay Chemical Corporation in Kansas City, Mo. In 1976, Ken was named the Director of Marketing for Kalo Laboratories, Inc., a company that provided innovated solutions with seed treatments for soybeans. Using his experience, in 1979 Ken joined the multinational life sciences company called American Cynamid Company based in New Jersey, which focuses on medical and agricultural products. He held a variety of positions within the company, the last being Vice President and General Manager of the Animal Nutrition and Health division. In 1992 an opportunity to manage the manufacturing facilities with Pitman-Moore, Inc., opened, and Ken was named the Vice President and General Manager of Operations for the Americas Region. He has experienced a successful career in management and marketing and from

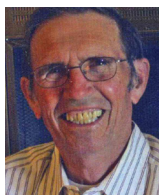

1995-2001 served as the President and Co-Owner of Ker Supply Company of Joliet, a \$10 million distributor of maintenance supplies in the Chicago market.

Ken retired in May of 2001. He and his wife Linda are enjoying retirement in sunny Tucson, Ariz.

**William “Wayne” Turner**, class of 1962, continued his education at Illinois Wesleyan University (IWU) and graduated from there in 1964. While attending IWU, Wayne married Connie Brooks of their hometown, Atlanta, Ill. Wayne has lived in Atlanta since 1948 in four homes and never more than two blocks from Route 66. Wayne and Connie have been blessed with two children, Janice Garriott of Bloomington, Ill., and Michael Turner of Minier, Ill. Michael is also a Lincoln College graduate, class of 1990. They are blessed with five granddaughters and one grand grandson.

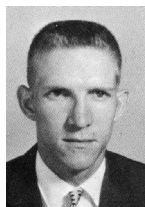

After graduating from IWU, Wayne taught school in McLean, Ill., for the 1964-65 school year. After that he started working in the family business, Turner Oil Co., until 2001. Since then he has been working at McLean County Government in Bloomington, Ill.

While living in Atlanta, Wayne has served on the city council, as deacon of the Atlanta Christian Church and currently as an elder. He enjoyed helping with the Little League Baseball when his son was involved. **Bob Miller** (deceased 4/2001), class of 1962 and Wayne started the Biddy Basketball program many years ago. They agreed to do it on one condition, there would be no games played, only fundamentals and teamwork would be taught.

Wayne shared this thought, “I am thankful for the direction of Lincoln College, where people like Norm Kaye taught me that one should give his best in all aspects of his life.”

**Chuck Williams**, class of 1963, continued his education at Illinois State University and received his Bachelor of Science degree in Secondary Education. He majored in Industrial Technology and minored in Physical Education. After college he got married and began his teaching and coaching career. Chuck taught Industrial Technology classes and Physical Education at the high school level as well as coached basketball, baseball, and football for several years before beginning his farming and U.S.D.A. career. He farmed for 41 years and worked for the government for the last 22 years while farming.

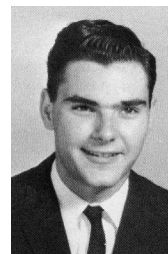

Today Chuck enjoys spending his time with his wife and their family. They have their son, daughter-in-law and two grandsons as well as a daughter, son-in-law and two granddaughters. Chuck also really

enjoys spending his leisure time working with wood, antiques and carving.

**Tom “Zurk” Zurkammer**, class of 1963, graduated from Lincoln Community High School and then entered Lincoln College in the fall of 1961. He played baseball and basketball while at Lincoln College. After graduating in 1963 Tom continued his studies at MacMurray College in Jacksonville, Ill., where he was an All-American in both baseball and basketball in 1964-65.

After Zurk earned his degree at MacMurray he returned to Lincoln College in 1965, at the invitation of LC coach Chuck Lindstrom, to help with the Lynx athletic program and teach math and computer science classes. Zurk coached the men’s basketball team from 1967 to 1970.

In 1982 Jack Nutt became president of Lincoln College and Zurk was appointed Dean of Academic Affairs. In 2002 he was named Vice President of Academics. In 2003 he took on the additional role of Provost, a role he carried until his retirement in August 2008. Zurk served 43 years at Lincoln College and touched many lives over that time. He enjoyed all the many aspects of his jobs over the years from coaching to teaching to administrative work.

When asked who he considered a mentor or someone who had a significant influence on his career, Tom commented, “I had several mentors over the years. Coach Norm Kaye was tough and disciplined all of us, which we probably needed at that point in our lives. He taught us about work ethic. Coach Chuck Lindstrom, the AD and baseball coach, was instrumental in my early years and guided me through a lot of situations and gave me great advice. I worked for Jack Nutt for 20 years and he was the first president I worked for as an administrator. Of course there were many others that helped me along the way, but these were the big three.”

Today Tom and his wife Connie reside in Lincoln, Ill., and enjoy spending time with their grandchildren, playing golf, reading, traveling and, of course, attending as many LC events and athletic games as possible. He even still has an office, phone extension, email and title of Special Assistant to the President at Lincoln College. He’s a true LYNX for life!

It was almost completely effortless to perform together. He also touched many people with his jovial personality and his jokes. He never forgot a name and interacted with everyone as if they were his long time friend. Many of his musician friends performed one of his favorite songs at the church, "Bring it on Home" by Sam Cooke.
