

**Transfer Guide: MacMurray College to Lincoln College
Bachelor of Science in Conservation Biology**

The following table indicates the articulation of courses from MacMurray College to Lincoln College for those courses specific to Lincoln College's **BS in Conservation Biology**. †

Table 1: MacMurray College to Lincoln College Course Equivalencies for Students Intending to Pursue the BS in Conservation Biology			
MC Course Number	MC Course Title	LC Course Number	LC Course Title
BIOL 121	General Biology I	BIO 120	General Biology I for Majors
BIOL 122	General Biology II	BIO 121	General Biology II for Majors
BIOL 211	Global Environmental Issues	BIO 106	Environmental Biology
CHEM 121	General Chemistry	CHM 140	General Chemistry I
CHEM 122	General Chemistry	CHM 141	General Chemistry II
PHYS 201	General Physics I	PHY 204	College Physics I
MATH 221*	Statistics	MAT 110	Elementary Statistics
MATH 131	College Algebra and Trigonometry	MAT 125	Pre-Calculus
BIOL 308	Genetics	BIO 205	Genetics
BIOL 361	Ecology and Evolutionary Biology	BIO 310	Ecology
BIOL 333	Biochemistry	CHM 300	General Biochemistry
BIOL 350	Biology Research Methods	BIO 495	Capstone Seminar in Environmental Science
PHYS 202^	General Physics II	PHY 208	College Physics II

†**Note:** Please consult the most recent Lincoln College Academic Catalog for specific degree requirements. The current and archived catalogs may be retrieved from <https://lincolncollege.edu/course-catalogs/>.

***Note:** Or equivalent MacMurray College discipline specific statistics course.

^**Note:** PHYS 202 articulates as a Major Elective under LC's curriculum.

Table 2: Remaining Major Requirements Needed to Complete the Lincoln College BS in Conservation Biology		
LC Course Number	LC Course Title	Credit Hours
CHM 240	Organic Chemistry I	4
BIO 300	Environmental Sustainability	4
BIO 305	Evolution	3
GEL 305	Environmental Geology	4
CHM 315	Principles of Environmental Toxicology	3
BIO 370	Conservation Biology	3
Major Electives	Various	7-8 (3-4 is PHYS 202 completed)

General Education Completion Policy:

Lincoln College is an Illinois Articulation Initiative (IAI) participant school and honors courses designated under the IAI General Education Core Curriculum (GECC). Students who complete a minimum of 15 credit hours of IAI GECC coursework (through any combination of approved coursework completed at MacMurray College or Lincoln College) shall be allowed to complete general education requirements per IAI GECC guidelines.

Residency Waiver Policy:

Former MacMurray College students choosing to transfer to Lincoln College for degree completion shall not be subject to Lincoln College's regularly enforced residency requirement. Said requirement shall be considered waived.
